Include Photo or Documentation showing proof of Public Recognition

Organization: _____

Was funding adequate to complete the project?

Was the project successful? If not, why not?

How can it be improved?

How many residents other than your members participated?

How could you have used more people?

What benefit was derived by the community and by your organization?

If this is an ongoing project, how will you fund it in the future?

If you ask for additional funds in the next fiscal year for this project, why should the city fund it?
